

Egine

Simple, useful, and handy !

Electric folding wheelchair
with reclining and
folding backrest

CE

Simple, but adjustable!

- Wide and soft arm pads.
- 6-cm height-adjustable armrests.
- Adjustable seat width (from 42 to 52 cm) (select an adapted pad on the prescription sheet)

Quick-reclining backrest on 30° thanks to a simple and reliable mechanism. Removable push-bar.

Electric, but can be moved easily!

High folding capacity without any tool and ideal compact size for transport or storage.

Backrest folding backwards or forwards.

Other key points:

- Very stable modern frame
- Metallic plates equipped with heel straps
- Int./Ext. retraction system for the footrests
- Car-type seat belt
- Responsiveness and manoeuvrability
- 8" x 50 mm tyred front wheels
- 12.5" rear wheels (polyurethane foam inserts in pneumatics).

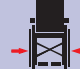

COLOURS

Metallic red frame

Black upholsteries
