

## Excellent prevention of pressure ulcers Clinically tested

### Exceptional Comfort

- Optimal pressure relief
- Less perspiration due to a dry and clean sleeping environment
- Enhanced patient safety due to reinforced lateral borders
- No loss of body sensation
- Good support for improved patient posture

### Good Return on Investment

- Innovative medical mattress
- Highly resistant and durable material
- Top Swiss quality
- Guarantee assured by OBA

### Easy to Use

- Easy to clean and disinfect
- No risk of confusion – HOSPISOFT can be used on both sides
- Ideal for the prevention of pressure ulcers and as a normal mattress
- Suitable for patients weighing up to 120 kg

## Hygiene

The anti-incontinence Obatex cover protects the mattress from humidity and is easy to clean. The cover is impermeable to liquids but permeable to vapour.

## Reduced Perspiration

The vertical and horizontal aeration channels guarantee optimal ventilation of the mattress core resulting in a comfortable sleeping environment.

## Safety

The two lateral borders provide good stability as well as helping patients to sit and get up. The middle zone is specially designed to improve patient posture.

## Localised Pressure Relief

The hi-tech foam structure ensures effective prevention of pressure ulcers. Specially shaped mattress surface is perfectly adapted to patient morphology. The efficiency rate is scientifically measurable:

Blue = substantial pressure relief  
Green = normal to excessive pressure

Indentation resistance	Soft – medium
Pressure ulcer grade suitability	Grade 3
Patient weight	< 120 kg
Dimensions	Standard 90 x 200 cm. All sizes available
Height	15 cm
Weight	13 kg
Foam density	45 / 40 kg/m <sup>3</sup>
Mattress core material	7 zone profiled EvoPore foam
Reinforced lateral border density	50 kg/m <sup>3</sup>
Handles	4 or 8 upon request
Protective cover	Obatex DA beige, flame retardant
Washing instructions	Cover washable to 95°C, may be tumble dried
Guarantee	Core: 10 years (as from 3 years: pro rata) Cover: 2 years
Swiss made	EN ISO 9001/2000
