

### Overview:

This traditional Bobath Neurology Couch has been designed for neurological assessment and treatment for both adults and children. The couch is extremely strong and rigid, with a large treatment surface to support both the patient and therapist for a wide range of treatment procedures. This couch has a safe working load and lifting capacity of 320kg (704lb / 50 stone) to cater for heavy loads.

Model 40 with optional chrome side support rails, foot bar switch and paper roll holder
