

CELTA ST

Attractive design, functionality and robustness define the **CELTA ST** steel wheelchair. Suitable for users with general mobility impairment, it is a sturdy and durable chair, practical to use on a daily basis. In addition, it allows for various configurations and the inclusion of accessories for a better adjustment to the user's condition, over time. With reinforced structure with 25mm diameter tubes and triple crossbar to provide greater resistance. Folding armrests. Height-adjustable, swing -away and detachable

footrests. 600mm rear wheels (option 300mm wheels on the **CELTA TRANSIT ST** model), pneumatic or solid. Nylon or spoked rims. 200x30mm solid front wheels (option with cost: 200x50mm pneumatic wheels). Easy to transport, it is foldable and has a quick release of the rear wheel (exception: size 50 does not have a quick release for safety reasons). Black upholstery (colored upholstery option). Seat width: 37, 40, 43, 46, 50cm. Maximum user weight: 150Kg.
