

EUROCHAIR² STOCK VERSION 2.750

THE LIGHTWEIGHT CHAIR FOR UNIVERSAL USE

The EUROCHAIR² encourages independent mobility by means of fine adjustment of the seat, backrest and chassis to the needs of the user. Ease of use, improved smoothness with low propelling force, and reduced weight facilitate everyday handling.

- Folding and individually adaptable
- Side panel height-adjustable, swivel-up, swing-away, detachable
- Angle-adjustable steering head
- Height-adjustable side panel with depth-adjustable armrest
- Adjustable back
- MEYRA modular system ensures extensive range of accessories and quick supply of spare parts

USER PROFILE

- ✓ For permanent everyday use
- ✓ For optimum fitting for a wide range of medical conditions through high adjustment variability
- ✓ Primarily for use at home, but also in rehabilitation clinics for achieving therapeutic goals
- ✓ For taller and larger users
