

iCHAIR MC1 LIGHT 1.610

USER PROFILE

- ✓ Ideal for keeping mobile at home and at work
- ✓ For working and active people needing a wheelchair for various aspects of everyday life
- ✓ Suitable for outdoor use thanks to standard large tyres

THE INTELLIGENT ENTRY-LEVEL POWER WHEELCHAIR

- For relaxed positioning and effective pressure relief
- Available in three different seat widths
- Pull-out battery case enables simple and effective maintenance
- Split aluminium rims for quick and easy service
- High-grade impact-protected and powerful LED lighting for enhanced safety
- Compact dimensions and the high degree of manoeuvrability enable indoor spaces to be mastered with ease
- LiNX power module:
 - ✓ Various seat functions directly selectable: electric seat tilt (infinitely variable by 28 degrees), electric back adjustment
 - ✓ Three pre-set driving functions with different speeds: Indoor, Outdoor Slow and Outdoor Fast
 - ✓ Optical light signals and different audio codes for settings e.g. for people with visual impairment
